PRESIDENT'S CORNER

LARRY JOHNSON

I know each and every one of you have a great Thanksgiving and a very Merry Christmas. Throw in Happy New Year and we can called it quits for 2011. We had some wonderful outings and great tying sessions. I hope you all had a great time this last 12 months and we will try and have as much if not more in 2012. The Outing Committee has the 2012 outing schedule ready and will be ready for the January meeting. Lets hope they have a great schedule and we can have an enjoyable spring of fishing and camping this year. Don't forget to get your Dues in for 2012 to our Treasurer or any of the officers and they can forward it to the Treasure.

Coffee and Tying is going Strong

We have Coffee and Tying at Just Between Friends in Caney, KS. 10 to 15 folks have been coming for Coffee, breakfast, tying and lying. Just Between Friends has a nice selection breakfast items and all though they are normally not open on Saturday they are opening for us to have Coffee and Tying so please support them.

The members have Coffee and Tying on the 1st and third Saturday of the month. So it will be the 7th and 21st from 8 to 12. We have folks tying, some folks learning to tie, and some folks having a good time visiting. It also a great time to do club and trip planning.

The Tying is done in free format with some tying for the spring fishing, some tying new patterns, and some teaching beginners. We'll be keeping a cup of Coffee warm and waiting for you.

The 3rd Tie-In for Casting for Recovery and Reel Recovery has 90 dozen goal

January will be the Green Country Flyfishers' 4th annual Tie-In for Casting for Recovery(CFR) and Reel Recovery(RR). We ask Tiers from the club and other clubs to tie and donate flies for CFR and RR to use the their retreats for folks with Cancer. Both groups have retreats for about 12 people with all expenses covered. The retreats use fly fishing as the base for a weekend of discussion about having and handling cancer and how to recover.

The Tie-In will be held at the Creek County Fairs Grounds. The Oklahoma Flyfishers are hosting their Fly Tying Extravaganza there and we are joining them with the Tie-In. The event will start about 9 and go until about 4. OK flyfishers with have a lunch available for a small price and tying materials will be available from the Golden Rule. The Fair grounds are near Kellyville, OK just off of I-44 about 10 miles from the toll gates.
